# CONFIRMING OUR PLAN

# Proposed priorities for the LCHAB:

- 1: Equity & Inclusion Committee
- 2: Community Outreach & Engagement Committee
- 3: Policy & Funding Coordination Committee

# Equity & Inclusion Committee

The Equity and Inclusion Committee is dedicated to ensuring that all voices are heard, especially those with lived experience of homelessness. Our goal is to bring together service providers who work closely with unhoused populations, including people of color, seniors, individuals with disabilities, and LGBTQ+ communities. This committee will outline how the Homeless Advisory Board collaborates with these service providers to gather informed insights on the barriers to housing. By doing so, we aim to create more inclusive and equitable solutions to address homelessness in Lincoln County.

# Equity & Inclusion Committee

## **Committee goals:**

1. Organize and implement a quarterly Resource Fair in the South County area (not limited to homelessness services)
2. Apply for and organize a grant program to offset local organizational costs related to becoming more culturally responsive (signage, translations services, training, etc.)
3. Develop resource materials in partnership with LGBTQIA2S+ liaisons to increase awareness of housing obstacles and overcome barriers for this community.

**Proposed Committee Budget: \$16,250**

# Community Outreach & Engagement Committee

The Community Outreach and Engagement Committee is focused on building strong connections between the Lincoln County Homeless Advisory Board and the broader community. Our goal is to raise awareness about homelessness, foster community involvement, and create partnerships that drive effective solutions. This committee will work on developing outreach strategies, organizing community events, and facilitating communication between the board, the unhoused population, and local residents. By engaging the community, we aim to foster a collaborative environment where everyone can contribute to addressing homelessness in Lincoln County.

# Community Outreach & Engagement Committee

## **Committee goals:**

1. Review and update list of Lincoln County private landlords
2. Create opportunities for landlord engagement with the goal of increasing the affordable housing stock (refer to Polk County)
3. Assist the Administrative Office by creating positive timely messaging for Board representatives to take back to their respective city councils.

**Proposed Committee Budget: \$7,500**

## Policy & Funding Coordination Committee

The Policy and Funding Coordination Committee is dedicated to aligning policy and funding efforts across city, county, regional, and state levels. The Lincoln County Homeless Advisory Board (LCHAB) is unique in its Intergovernmental Agreement and active participation from all area municipalities and the community action agency. This committee will establish a workgroup consisting of municipality planning and development professionals to identify and leverage existing partnership opportunities. By coordinating these efforts, we aim to streamline resources and policies to effectively address homelessness in Lincoln County.
